

Brookside Meadows

10100 Brookside Road | Pleasant Valley, New York 12569

VEHICLE REGISTRATION INFORMATION

Welcome to the Brookside Meadows Luxury Rental Community

This is to inform you, that during certain periods of time, we may ask you to move your vehicles to alternate parking locations. The most common reasons would be for snow removal operations, parking lot maintenance, maintenance issues in the parking area, and sealing and/or paving.

We will notify all affected residents in advance and appreciate your full cooperation. Failure to move your vehicle could result in your vehicle being towed, at your own expense, so please keep the Brookside office updated with your vehicle Make, Model and Plate number at all times during your lease period.

Our Rules and Regulations at Brookside Meadows require that all vehicles must be in operable condition and have a current registration. Please be advised that Brookside Meadows has the right to have a vehicle towed within 2 business days of receiving a notification from the Brookside Meadows office, at the owners' expense.

Thank you and welcome to the Community!
